

Annual Club Fundraiser Invitation

The Annual Club Fundraiser is your chance to raise funds to support projects at your club.

How does it work?

The Annual Club Fundraiser is a 3-month drive to raise funds (January 11 to March 31). Clubs get to make their own fundraising page on CanadaHelps with videos, pictures and fundraising thermometers. It's very easy to do and only takes a few minutes. Donations and donor comments are posted to the fundraising page making it very motivating to give and easy to share on social media. Donors get a thankyou and tax receipt instantly after donating.

Nordiq Canada will:

- manage the online donation platform
- issue tax receipts to donors
- disburse funds to clubs monthly

94% of the funds your club raises are YOURS. Nordiq Canada will retain 6% of funds raised to cover expenses like credit card processing fees.

Why should my club participate?

- **It's easy** – Nordiq Canada provides the platform for receiving donations.
- **It's better for donors** – as a registered charity, Nordiq Canada can issue tax receipts to your donors, which serves as a huge incentive for many to donate.

Ready to get started?

Please complete and email these 2 forms, to fund@nordiqcanada.ca:

- Annual Club Fundraiser [Application Form](#)
- Vendor Electronic Funds Transfer (EFT) [Request Form](#) providing your club's banking information so we can disburse funds to you.

Within a week of submitting your forms, you will receive an email from the CanadaHelps fundraising platform asking you to sign up as a "Participant." Doing so will add your club to the fundraising platform, where you can set up your club's fundraising page and start fundraising!

Questions? Please email Krista at fund@nordiqcanada.ca.
