Anti-doping policy

Policy

Revised November 2026

Preamble

1. The practice and pursuit of drug-free sport are matters of public interest. More particularly, they reflect the common interest and consensus of athletes, coaches, sport governing bodies and governments in Canada. Nordiq Canada has at all times taken a strong and vocal stand against the use of banned substances and practices in sport, with a view to creating a playing field that is safe, fair and healthy for all competitors.

Anti-Doping Policy

2. Nordiq Canada has adopted the 2027 Canadian Anti-Doping Program (CADP) as its primary domestic anti-doping policy. Administered on behalf of Nordiq Canada by Sport Integrity Canada, the 2027 CADP is fully compliant with the 2027 World Anti-Doping Code, International Standards and Technical Documents as they may exist from time to time. To view or download the 2027 CADP, please visit: Sport Integrity Canada, Canadian Anti-Doping Program.

3. In addition, Nordiq Canada, as a member federation of FIS must also be fully compliant with the FIS anti-doping rules. The FIS anti-doping rules may apply to certain members of Nordiq Canada in certain situations. The FIS anti-doping rules are fully compliant with the 2027 World Anti-Doping Code, International Standards and Technical Documents as they may exist from time to time. To view or download the FIS anti-doping rules, please visit: FIS Sports Integrity.

4. In the event of a conflict between other anti-doping policies established by Nordiq Canada and the 2027 CADP and/or the FIS anti-doping rules, the rules of the 2027 CADP or the FIS shall prevail, as applicable.

Anti-Doping Code of Conduct

5. Every athlete and other person participating in the sport shall reasonably cooperate with Sport Integrity Canada or another anti-doping organization investigating anti-doping rule violations and a failure to do so may be the basis for disciplinary action within the sport.
