

JOB OPPORTUNITY

Position Title

Assistant Coach, National Ski Team (NST), Olympic

Location: Canada

About Nordiq Canada

Nordiq Canada is the national governing body for both cross-country and Para Nordic skiing. We lead, support, and inspire world-class performances and lifelong participation in these sports nationwide.

The Opportunity

Reporting to the Head Coach and working within a collaborative high-performance environment, the Assistant Coach will play a critical role in planning, coordinating, and delivering coaching support for Canada's National Ski Team (NST) athletes as they prepare for success at the Olympic Games, World Championships, World Cup, and international competitions.

With a focus on professionalism and performance, the Assistant Coach will work with NST athletes to elevate their knowledge and execution of technical and tactical aspects of elite level skiing. They may, on occasion, be responsible for the leading certain camps, including planning and delivering the camp, and/or leading and managing competitive periods for the NST on the World Cup circuit.

This is an exciting opportunity to contribute to one of Canada's leading winter sport organizations and to work alongside world-class athletes, coaches, and support staff in pursuit of sustained international excellence.

Key Responsibilities

- Assist with the planning, coordination, and execution of training camps, competitions, and international tours for the National Ski Team A and B athletes.

- Provide technical, tactical, and race-day coaching support.
- Contribute to athlete monitoring, performance analysis, and training feedback.
- Support ski preparation, waxing operations, and equipment management as required.
- Must be able to wax skis, and be capable of serving as a technician for athletes on occasion, or when required.
- Collaborate with Integrated Support Team (IST) providers including physiologists, strength and conditioning coaches, sport science, medical, and mental performance staff.
- Assist with logistics, travel coordination, and operational planning.
- Uphold and contribute to a culture of excellence, professionalism, accountability, respect, and athlete wellness.
- Comply with Nordiq Canada's Safe Sport policies and commitments.

Skills & Requirements

- Experience coaching World Cup athletes either individually, or on the World Cup circuit.
- Experience on the World cup circuit either as a coach or an athlete
- Competency in assessing and interpreting sport science testing and data.
- Must be physically fit and capable of testing skis as well as training with athletes on some of their easy sessions.
- Ability to contribute to a positive and professional team environment in and outside of competitive settings.
- Excellent interpersonal, time management, and communication skills.
- Detail and task oriented, goal driven, a strategic and tactical thinker and planner.
- Ability to coach Sprint format technical and tactical capacities considered an asset
- Bilingualism (English/French) considered a strong asset

- Valid driver's license

Working Conditions

- This position requires extensive travel, domestically and internationally.
