

2024-2025 NATIONAL HIGH PERFORMANCE PROSPECTS PROGRAM

Selection Rational

- The Prospects program is an east and west based camp program designed for U18 and U16 athletes.
- The goal of the Prospects program is to provide meaningful Athlete Performance Pathway based training opportunities from multiple divisions.
- *Aggregate Rank In Region* placing is from the ranking list of eligible athletes from that region. Example, an athlete might be ranked 3rd overall on the aggregate list but be ranked first in their region.

Congratulations to the following athletes who will be invited to a 2024-2025 Prospects camp based on the criteria outlined in the Nordiq Canada *National High Performance Program Selection Criteria 2024-25*.

PROSPECTS CAMP – EAST: July 11 – 15th Ottawa/Gatineau Region

PROSPECTS CAMP – WEST: July 18 – 22nd TBC
