5. Definitions

- Event.** Several competitions, which may include popular events and loppets, hosted by an Organizing Committee that occur at a particular site in a specified period.
- Competition.** An individual race on its own or within an event, incorporating one or more competition categories. Competitions can range from internal club events (e.g., Toonie Tuesday racing) to the highest level of competition.
- Organizing Committee (OC).** The organization within the hosting Nordiq Canada member club(s) that is(are) responsible for planning and executing a competition or an event. For major events such as the Canadian Ski Nationals, the OC will include both an Event Organizing Committee (EOC) and a Competition Committee (CC).
- Tier 1 Event.** An event that is multi-Divisional or national and primarily for the U20 and Open categories in the Learning to Compete-1 (L2C) to Train to Win (T2W)

development stages. Designated racers earn FIS and CPL points. A Tier 1 event is sanctioned by FIS (Federation internationale de ski) and Nordiq Canada.

- e. **Tier 2 Event.** An event that is Divisional and primarily for the Train to Train (T2T) to Learn to Compete 2 (L2C-2) development stages. Designated racers earn Canada Points List points. A Tier 2 event is sanctioned by Nordiq Canada and the Division.
- f. **Tier 3 Event.** A competition or event that is neither Tier 1 nor Tier 2, is open to racers or participants who are not members of the host club, and for which more than \$5 per participant is collected. Tier 3 events may be primarily for the Fundamentals to T2T/L2C-1 development stages, inter-club events, or participation-focused community or popular events. A Tier 3 event is sanctioned by the Division.
- g. **Club Event or Club Competition.** An event or competition that is hosted by one club solely for its members. To be covered by third-party general liability insurance, there must be a public record (e.g., club minutes, website, social media) that the event or competition is to occur before the event or competition is held.

103.1 The Nordiq Canada license year begins on July 1st and finishes on June 30th of the following year.

- 103.2 To be eligible for participation in the Nordiq Canada Ski Nationals, Nordiq Canada Selection Races, Nordiq Cups, Canada Cups and Canada Winter Games, a competitor must have a valid Nordiq Canada racing license.
