### Handling and Use of the Roller Skis

- a) The renter and skiers using Nordiq Canada roller skis agree to handle the roller skis with care to avoid scratches, bumps, loosening of screws and bolts, damage to the bindings and any other damage to the roller skis beyond that resulting from normal use.
- b) The renter and skiers using Nordiq Canada roller skis agree not to alter the roller skis in any way.
- c) Skiers using Nordiq Canada roller skis must use skis identified as a pair (numbered) and use skis in a way that balances wear of wheels. For prolonged use of roller skis (long training sessions and/or more than one session), skiers will switch skis from left foot to right foot at least every hour.

### Safety

The renter and skiers using Nordiq Canada roller skis agree to respect the Nordiq Canada roller ski policy (available on the website or by contacting the Nordiq Canada office) at all times when using the roller skis.

### Shipping

- a) The renter agrees to pay for all shipping fees, both ways, including the cost of insuring the shipment.
- b) Roller skis will be transported or shipped by Nordiq Canada in boxes with each roller ski individually wrapped in protective material. For return to Nordiq Canada, the renter will pack the roller skis the same way they were received from Nordiq Canada.
- c) Upon receiving the roller skis from Nordiq Canada and before using the roller skis, the renter will confirm to Nordiq Canada that the boxes have arrived and that all skis are accounted for and in good shape and will make sure that all screws, nuts and bolts are properly tightened.

Any damage is to be immediately reported to Nordiq Canada. Nordiq Canada will also confirm receipt of the roller skis upon return to Nordiq Canada.

- d) The renter will return the roller skis to Nordiq Canada by ground transportation or other economical shipping modes within two days of event completion.

### **Use for Races**

- a) Race events must be Nordiq Canada sanctioned and respect technical package guidelines.
- b) The renter agrees to pay Nordiq Canada a user fee of \$5 per registered racer and per race. Nordiq Canada will invoice the renter after the event based on the total number of registered racers per sanctioned race.
- c) Roller skis may be handed to participants no earlier than 30 minutes before the race start.
- d) Roller skis must be collected from racers immediately following the finish and before racers leave the finish area.

### **Liability**

- a) The renter is responsible for all damage to the roller skis (including loss) incurred from the time the renter receives the roller skis to the time the roller skis are received by Nordiq Canada. The renter agrees to pay for replacement or repair of roller skis based on assessment of damage or loss.
- b) Nordiq Canada is not liable for any injury sustained by anyone who comes in contact with or uses the roller skis. Please refer to Nordiq Canada insurance manual.
